Personal checks will not be accepted. Failure to submit the full bid price prior to the expiration of the 180th day following the sale date will result in the forfeiture of the bid deposit to the BLM, and the parcel will be offered to the second highest qualifying bidder at their original bid. If there are no acceptable bids, the parcel may remain available for sale on a continuing basis in accordance with the competitive sale procedures described in 43 CFR 2711.3-1 without further legal notice.

Terms and Conditions: Certain minerals will be reserved in accordance with the BLM approved Mineral Potential Report, dated January 22, 1999. filing fee for processing the conveyance of the "no known value" mineral interests which will be sold simultaneously with the surface interests.

The following numbered terms and conditions would appear on the conveyance documents for these parcels, as follows:

This indemnification and hold harmless agreement includes, but is not limited to, acts and omissions of the patentees, its employees, agents, contractors, or lessees, or third party arising out of or in connection with the use and/or occupancy of the patented real property resulting in: (1) Violations of Federal, state, and local laws and regulations applicable to the real property; (2) Judgments, claims or demands of any kind assessed against the United States; (3) Costs, expenses, damages of any kind incurred by the United States; (4) Other releases or threatened releases on, into

No warranty of any kind, express or implied, is given by the United States as to title, whether or to what extent the land may be developed, its physical condition, future uses, or any other circumstance or condition. The conveyance of any parcel will not be on a contingency basis. However, to the extent required by law, all parcels are subject to the requirements of section 120(h) of the CERCLA.

Federal law requires that bidders must be (1) United States citizens 18 years of age or older; (2) a corporation subject to the laws of any State or of the United States; (3) an entity including, but not limited to associations or partnerships capable of acquiring and owning real property, or interests therein, under the laws of the State of Nevada; or (4) a State, State instrumentality, or political subdivision authorized to hold real property. Failure to submit the above requested documents by July 17, 2008 shall result in the cancellation of the sale and forfeiture of the bid deposit.

Furthermore, the parcels may be subject to land use applications received prior to publication of this Notice if processing the application would have

no adverse effect on the marketability of title, or the FMV of a parcel.

Encumbrances of records, appearing in the BLM public files for the parcels proposed for sale, are available for review during business hours, 7:30 a.m. to 4:30 p.m., Pacific Time, Monday through Friday, at the Las Vegas Field Office, except during federally recognized holidays. Subject to limitations prescribed by law and regulation, and prior to patent issuance, a holder of any right-of-way within the parcels may be given the opportunity to amend the right-of-way for conversion to a new term, including perpetuity, if applicable, or to an easement.

BLM will notify valid existing right-of-way holders of their ability to convert their compliant rights-of-way to perpetual rights-of-way or easements. Each valid holder will be notified in writing of their rights and then must apply for the conversion of their current authorization.

Unless other satisfactory arrangements are approved in advance by a BLM authorized officer, conveyance of title shall be through the use of escrow. Designation of the escrow agent shall be through mutual agreement between the BLM and the prospective patentee, and costs of escrow shall be borne by the prospective patentee.

Requests for all escrow instructions must be received by the Las Vegas Field Office prior to 30 days before the bidder's scheduled closing date. There are no exceptions.

Within 30 days of the sale, BLM will in writing, either accept or reject all bids received. Pursuant to 43 CFR 2711.3-1, a bid is the bidder's offer to BLM to purchase the parcel. No contractual or other rights against the United States may accrue until BLM officially accepts the offer to purchase, and the full bid price is submitted by the 180th day following the sale. All name changes and supporting documentation must be received at the Las Vegas Field Office by July 17, 2008, 4:30 p.m., Pacific Time. Otherwise, the patent will be issued to the name(s) on the bidder statement that's completed and submitted on June 17, 2008. No name changes will be accepted after July 17, 2008, 4:30 p.m., Pacific Time. To change the name on the bidder statement, high bidders must notify the Las Vegas Field Office in writing, and submit a new bidder statement, which is available at the Las Vegas Field Office or in the sale brochure, and be completed by the intended patentee(s).

The remainder of the full bid price for each parcel must be paid prior to the expiration of the 180th day following

the competitive sale date, which is December 15, 2008, in the form of a certified check, postal money order, bank draft, or cashier's check made payable in U.S. dollars to the order of the Department of Interior—Bureau of Land Management. Personal checks will not be accepted. Arrangements for electronic fund transfer to BLM for the payment balance due on or before December 15, 2008, shall be made a minimum of two weeks prior to the date you wish to make payment. Failure to pay the full bid price prior to the expiration of the 180th day following the sale date will disqualify the apparent high bidder and cause the entire 20 percent deposit to be forfeited to the BLM. Forfeiture of the 20 percent deposit is by operation of 43 CFR 2711.3-1(d). No exceptions will be made. BLM cannot accept the full bid price after the 180th day of the sale date.

BLM will not sign any documents related to 1031 Exchange transactions. The timing for completion of the exchange is the bidder's responsibility in accordance with Internal Revenue Services regulations. BLM is not a party to any 1031 Exchange.

All sales are made in accordance with and subject to the governing provisions of law and applicable regulations.

In accordance with 43 CFR 2711.3-1(f), the BLM may accept or reject any or all offers to purchase, or withdraw any parcel of land or interest therein from sale, if, in the opinion of a BLM authorized officer, consummation of the sale would be inconsistent with any law, or for other reasons.

If not sold, any parcels described above in this notice may be identified for sale at a later date without further legal notice. Unsold parcels may be offered for sale in a future Internet auction. Internet auction procedures will be available at <http://www.auctionrnp.com>. If unsold on the Internet, parcels may be offered for sale at future oral and Internet auctions without additional legal notice.

Upon publication of this notice and until completion of the sale, the BLM is no longer accepting land use applications affecting the parcels identified for sale. However, land use applications may be considered after completion of the sale for parcels that are not sold.

In order to determine the FWV certain assumptions may have been made of the attributes and limitations of the lands and potential effects of local regulations and policies on potential future land uses. Through publication of this notice the BLM advises that these assumptions may not be endorsed or approved by units of local government. It is the

buyer's responsibility to be aware of all applicable Federal, state, and local government laws, regulations and policies that may affect the subject lands, including any required dedication of lands for public uses. It is the buyer's responsibility to be aware of existing or projected use of nearby properties. When conveyed out of Federal ownership, the lands will be subject to any applicable laws, regulations, and policies of the applicable local government for proposed future uses. It will be the responsibility of the purchaser to be aware through due diligence of those laws, regulations, and policies, and to seek any required local approvals for future uses. Buyers should also make themselves aware of any Federal or state law or regulation that may impact the future use of the property. Any land lacking access from a public road or highway will be conveyed as such, and future access acquisition will be the responsibility of the buyer.

SNPLMA parcels proposed for sale were analyzed in the "Las Vegas Land Disposal Boundary Environmental Impact Statement," approved December 23, 2004 (EIS), which is available for public review at the Las Vegas Field Office. Ten parcels being offered in this sale were previously analyzed through EAs and approved for sale. Upon publication of this notice, this EA is available for public review and comment at the Las Vegas Field Office. BLM will be accepting public comments on the EA for the five parcels for 45 days after publication in the **Federal Register**.
